"AS THE WORLD PROGRESSES, PROGRESS WITH IT."

In the past four years the achievements of the Class of '50 have been many. This year started off with the usual bang; taking pictures, ordering announcements, and measuring for caps and gowns.

For the second consecutive year the Class of '50 took first prize for the best class-float in the Homecoming Parade.

In December we sponsored our annual Senior Carnival. It was a huge success.

In March a gay Hayseed Party was given to the Seniors by the A. S. B. There was plenty of food and fun for all.

The Seniors were guests of the Juniors at the Annual Picnic and Prom. Both affairs were greatly appreciated by the class.

These four years have been eventful, with memories long to be cherished. To the school the Senior gift was a radio-phonograph with amplifier.

In June the class said "goodby to Col-Hi." Their farewells were made known at Class Day, Baccalaureate, then Graduation.

Junior Class History

We of the Class of '51 can look back on our Junior year with much pride, for during this year so much worthwhile was accomplished. The glory of being a Junior was realized by each of us.

Some of the memorable events of the year were the Christmas Dance, the Golden Gate Revue, the Junior-Senior picnic, and, of course, the Prom which was the most highly anticipated of all.

We are especially proud of our Junior athletes who have made a wonderful showing in every field of school sports.

Sincere thanks go to our advisors, Mrs. Claar, Mrs. Ellis, and Mr. Welsch for their patience, guidance, and understanding during this busy year.

The class leaders were Buz Jochen, President; Bonnie Murphy, Vice President; Margaret Buescher, Secretary; Jerry Marzyck, Treasurer. They, along with the planning committee, carried on the class business commendably.

Sophomore Class History

The Sophomores can rightly be termed the ATOMIC class of Col-Hi. They boast the largest membership, they have made themselves active in all groups sponsored by the school. The class devised a winning float for Homecoming Day. Their Hayseed Party was a great success. During the year they sponsored popular class programs.

Many individuals did outstanding work in music, speech, dramatics, F.H.A., F.F.A., Athletics, G.A.A., Pep Club, radio productions and Boys' Federation.

Special mention should go to Carolyn Standridge who claims the honor of being the first sophomore in Washington to attain the State Presidency of F.H.A. Tom Davis did commendable work in oratory at the Spokane oratorical contest. Patti Cole, a great cheerleader, was Homecoming princess with Jack Dawson as prince of the Tolo Dance.

As sophomore class officers, Dick McQueen served as President; Marjorie Casebier, Vice President; Beverly Smith, Secretary; Herbert Bullard, Treasurer, and Kirby Edwards, Sergeant-at-Arms. Mrs. Buescher and Mr. Wickstrom were the advisors of the class.

Freshmen Class History

We the "Green Frosh" had rather a hard time getting accustomed to high school habits and ways. When we finally got our bearings we then carried on quite successfully.

To start off our year we chose our class officers: Bill Witherup, President; Maureen Davidson, Vice President, succeeded by Jeanine Dye; Steve McElhaney, Treasurer, and Marilyn Richey, Secretary. Velma Poole, Shanna Clements, and Ronald Hostetler were elected cheerleaders for the Freshmen Basketball team. Freshmen Princess of the Homecoming Dance was Lois Loftus, while Joe Deymonaz reigned as Freshmen Prince of the Tolo Dance.

Both boys and girls have been represented in many activities. The girls held their own in G.A.A., Tri-Hi-Y, F.H.A. and Girls' League, while the boys have been represented in Boys' Federation, F.F.A. and in sports.

Contributing to the highlights of our year were Miss Christensen and Mr. Juricich, our class advisors. They have really helped us in everything we have done.

The entire class is looking forward to next year when all of our class will be together and to the years ahead at Col-Hi.

Associated Student Body

The heart of our high school is centered in Student Council. In this representative group the student's beliefs and ideals are turned into action. During its third year in operation the A. S. B. has shown action by sponsoring a variety of dances and shows and promoting exchange assemblies.

Homecoming, an important event established and sponsored by the Student Council, consisted of a parade, bonfire, pep meeting, and the election of a Queen and four Princesses.

The students of Col-Hi appreciate the responsibilities of the student government and share in its problems and activities.

Thespians

TROUPE 640

The aim of the National Thespian Society is to create a spirit of active and intelligent interest in dramatics among boys and girls of high school age. Troupe 640 has accomplished this aim. Sixty-two students participated in Thespian activities this year. The Thespians, under the direction of Mrs. Mrs. Genevieve Luckey, have completed a successful year.

Two major three-act plays and seven one-act plays were presented by the Troupe.

Girls' League and Boys' Federation

Fun! Fun! Fun !!!!!!! That is what your officers of the Girls' League and Boys' Federation have tried to give you. The year started off with a big BANG! welcoming the Freshmen with a "Get Acquainted Mixer." Then came the Faculty Tea followed by the Thanksgiving Formal. After the 2nd Annual Stag Nite was held in January, each girl started saving her pennies so she could take her favorite boy to the TOLO DANCE, as well as one full week of movies, book carrying, and shoe shines. A total of \$70 was collected for the MARCH OF DIMES by a TALENT SHOW. Dads had a double treat when their sons and daughters took them to annual banquets.

So went the year, 1949-1950, packed with interesting events.

Pep Club

MOE: Hey, tell me! Who are all those girls in the gold sweaters and green skirts that we've seen all year? ? ?

JOE: Why, they are the Bomberettes of Col. High, of course!

MOE: Bomberettes? What's that?

JOE: It's a club that helps promote school spirit.

MOE: How?

JOE: Haven't you heard them at all of the football, basketball and baseball games cheering the team on to victory? And Moe, haven't you seen them marching on the field or on the gym at half time? Why at the Valentine Day night game they marched in the dark with red flash lights. They formed a heart and blinked their lights while the band played "Let Me Call You Sweetheart."

MOE: Is that all they do?

JOE: No, they sell concessions at games. Their drill team marches in parades. Did you know that their float in the Home Coming Parade won first prize for the Club Floats?

Letterman's Club

Although many of its former members were in athletic events most of the time, the Club featured a large number of highlights this year. One of the highlights was the presentation of individual awards to the members of the conference football team. The highly successful Christmas carolling tour of the village was topped by a spaghetti feast which was enjoyed by everyone. The Club officers were Neil Goff, President; Carroll Clement, Vice President; Jim Chubb, Secretary; George Richardson, Treasurer; and Don Fisher, Sergeant-at-Arms.

The Sandstorm

Dedicated to the interests of the entire student body, "The Sandstorm" has attempted to cover the interesting and important events of the year in story and picture.

Through the medium of the paper, students may tell each other of their activities in class, their social life, extra-curricular activities, and achievements on the athletic field.

Not only has "The Sandstorm" tried to give a picture of the highlights of the school year, it has attempted to give adequate news coverage to each class, organization, and club; to acquaint the community with school life; and to advocate worthwhile activities.

If these aims have been accomplished in part, the staff will feel satisfied that it has had a small part in building a finer and greater Col-Hi.

Music Department

Columbia High School's Music Department has had an exceptional year. The vocal section was directed by Mr. Harley Stell.

The select choir sang at many school and community affairs. At the Ellensburg Music Festival this group received a superior rating, which is the highest given. The Girls' Trio, well known throughout the Tri-City Area, also received a superior rating. Organized during the latter part of the year, the Girls' Nonette appeared in several concerts. The Christmas concert and the Spring Concert were the two big highlights of the year. Appearing with the choir in these were the Girls' Glee, Boys' Glee, Girls' Trio, Boys' Quartet, and Girls' Nonette.

Mr. Gordon Pappas directed the instrumental section. The band brightened our pep rallies and sport events and led the community parades. The orchestra and the band presented two concerts which were very successful.

2nd Annual

Col-Hi's second annual Homecoming was held on October 21. The success of the big event of the football season was due to the hard work of the various committees headed by Andrea Moore.

On the eve of the game with Kennewick, a pep rally and bonfire at the athletic field started things rolling. Everyone joined in a Snake Dance, which the band and cheerleaders led through town, and then attended the movie.

Homecoming

Excitement ran high at the Pep Assembly, the next afternoon, where the queen, surrounded by her court, was majestically crowned. Then came the big parade through the town with unique and original floats and cars, sponsored and decorated by various clubs and organizations of the entire school.

The climax of a gay Homecoming came as Richland defeated Kennewick 14-12. The happy Bomber fans went to the Victory Mixer, held in the gym, which ended a celebration that will never be forgotten at Col-Hi.

Homecoming Continued

The snappy Pep Club drill team added color to the Homecoming parade.

One of the most unusual floats in the parade was the one representing Miss Mecum's Biology class.

After the bonfire and pep rally everyone attended a special show at the theatre.

After the victorious game everyone gathered for the Homecoming dance.

Football

The most successful season in modern Richland history will long be remembered. The Atom City's eleven of 1949 reached golden heights by capturing the Southern Division conference title. Seven able seniors were among those who comprised the first squad. They, along with the promise shown by the underclassmen, were good enough to win eight out of nine games and attain a state-wide rating of fifth.

Don Fisher, Bill McCormick, Wilmer Meichenheimer and Clarence Fulcher qualified for positions on the All-Valley team. Don Fisher went on to win honors, placing him on the All-State eleven.

Kennewick was the opponent which broke the Bombers' streak of perfect defense at five games. They crossed the Bombers' goal line twice in the sixth contest on the Richland schedule.

Coach Francis Rish and his assistants tutored the football team through every hardship and anxious moment and should receive due credit for their help which enabled the performance of the Richland team an outstanding one.

Basketball

Another successful season of basketball rolled past in the recent 1949-50 year as the Bombers won 19 games and lost only eight.

Under the leadership of Gene Keller, the Richland captain, the smooth operating offensive work shown by the Bombers carried them into the State Tournament at Seattle. Richland made a good appearance, but were not quite lucky enough. They lost the two tourney contests they played to Hoquiam 63-62 and Mt. Vernon 41-40.

Coach Dawald ably whipped the Bombers out of last season's slump when the Richland squad won only six games. Flashes of brilliance from Gene Keller, Frank Schermer and Alton Schell paced the "Fly Boys" all the way.

The Bombers went through league play without losing a single contest. The second time in Richland history that the local five has made this record.

Alton Schell and Frank Schermer were selected on the All-Valley first squad and Gene Keller for the second team.

Baseball

Prospects for winning the first Southern Division title since the Gene Conley-Dale Gier era in Col-Hi's baseball, gave great promise during the final round of play. Through the coaching efforts of Francis Rish, the Bombers had won seven of the eight conference contests played up to May 8. The squad had an 8-4 record to show for the full season's work up until that time.

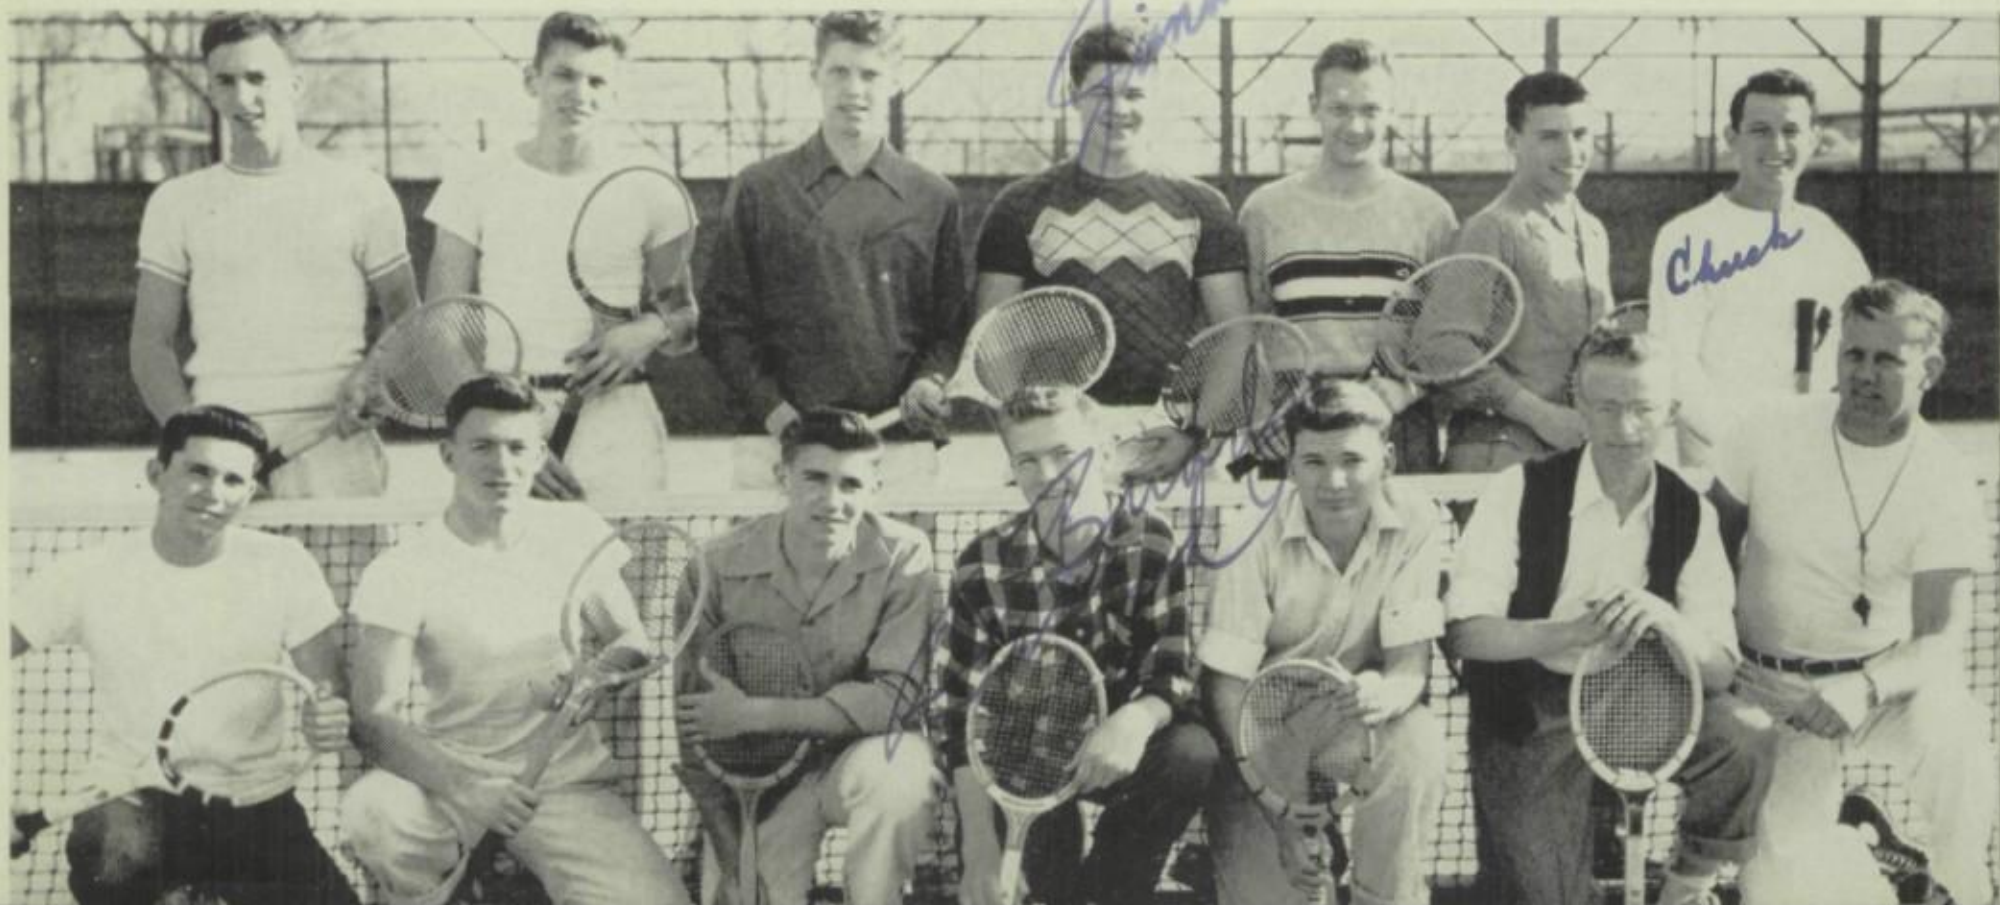

Wilmer Meicenheimer, Bill Hinson and Jack Morrow provided the hitting punch in the lineup. George Browning and Jim Jensen did most of the hurling while Herb Borg and Harold Norris rounded out the pitching staff.

A few of the highlights were Jack Morrow's triple with the bases populated (against Walla Walla) and Jensen's three consecutive shutouts including a no-hitter.

G. A. A.

Under the direction of Betsy Carlisle, the G. A. A. of Columbia High has had a well-organized active year. Sports offered were basketball, softball, tumbling, volleyball, bowling and horse back riding. The special events featured during the year by the association have been play-days, a Mother-and-Daughter banquet and a picnic.

At the beginning of the year the point system was established. To be eligible for a letter, 400 points were to be earned and for a sweater 800 points were needed.

This is Raggmopp, Son of Og.

Voted the most likely to succeed by the members of his class, Raggmopp sported the very latest in leopard-skin coats and considered it quite proper to tow his best gal to the Jungle Prom by a firm grip on the scruff of her neck. Raggmopp up there has just finished hacking out the senior panels on HIS yearbook, and he's quite proud of his workmanship. He had his troubles, all right, but there's one thing you can say for his work; it was PERMANENT!

There is still a little of the caveman in all of us, but caveman methods do not apply to our school yearbooks. Unlike Raggmopp, the annual editor of today doesn't want a "hacked-out" yearbook, and he doesn't need a chisel and a slab of granite on which to do his work. The modern

yearbook staff doesn't have to put up with crude reproduction either! The yearbook of today is made permanent through the proper use of good photography, good printing, and the best in photoengraving!

Modern schools, because they've learned that the finest engravings cost no more, order their printing plates from Western, and thus assure themselves of the finest in workmanship. In addition, they can take advantage of the only complete yearbook service in the Pacific Northwest!

If you'd like to get away from the "just another annual" classification, and publish a truly fine yearbook, get in touch with Western. We have produced more prize-winning annuals than all the other photoengravers in the Pacific Northwest combined!
